

Bellport Tennis Camp – COVID-19 GUIDELINES

Each week long session will consist of four days of instructions running [from Monday through Thursday](#) with Friday serving as a rain makeup day. To maintain proper social distancing, no more than four campers will be permitted on a court. This means that your child will be hitting more tennis balls than last year, but at an increased session cost of \$120. Depending on availability, a camper will be permitted to walk-on for daily fee of \$35. There will be six one week sessions [starting on Monday, July 5th](#) and [ending on Thursday, August 12th](#).

With the pandemic, we've formulated the following guidelines for our Tennis Camp Program.

- Each session will be one hour long.
- All campers will arrive five minutes prior to the start of their session and remain in their cars. Session start times are [12:50 pm](#), [1:50 pm](#) and [2:50 pm](#).
- Tennis Instructors will come out to the parking lot, assemble their group and then escort them to their assigned court.
- All campers will wear a mask from the time that they exit their car until they arrive at their court.
- Tennis Instructors and campers will be flip-flopped on adjacent courts such that each group of three campers will be surrounded on three sides by Tennis Instructors. This will keep the campers as far apart as possible.
- Campers must bring their own water bottle with their name on it.
- Unfortunately, parents will not be permitted to stay to watch the sessions.

Thank you for your attention and compliance to these COVID-19 guidelines. Should you have any questions or concerns, please call me at 631-776-0859.

Louis Nunez
