

Village of  
**BELLPORT**

## Fun Contest:

# Name the new EV!

Win a gift card  
to Carla Maria!  
Prize worth \$50.

### Bellport has a new Electric Vehicle!

We need your help naming the new electric vehicle. Thanks to the work of our Environment Committee, Bellport has been named a Clean Energy Community by New York State. Because of that, we secured a \$15,000 grant to purchase a utility EV. Please help name it!

### What will the EV do?

- Help the Dock Master make sure everyone is safe while enjoying the marina area.
- Regulate crowds during concerts and busy days, such as during holiday weekends and regattas.
- Support the work of the Dept. of Public Works.

### Entry:

The new EV should be named...
