VILLAGE OF BELLPORT

PROCLAMATION

Throughout our history, Americans have realized the wisdom and the necessity of replenishing our supply of trees for their many benefits. The idea of Arbor Day has caught the imagination of many people, since the first Arbor Day, in Nebraska in 1872.

The planting of trees is an action that yields a long-range benefit for generations to come. The celebration of Arbor Day uniquely symbolizes the truth that our earth belongs to every generation, not just to ours. It is not too much to ask that each of us assume a large, personal responsibility for renewing and preserving our environmental heritage. When you help to preserve our trees, or to plant new ones, you are acting on the part of good citizens. Arbor Day helps us to realize what we appreciate and receive from our trees.

Now, therefore, I, Maureen Veitch, Mayor of Bellport Village, do hereby proclaim April 23rd, as our Village's Arbor Day. On Arbor Day, we shall set aside April 23rd to celebrate our Village and its trees, with appropriate programs, ceremonies, and activities.

23rd day of November 2026

This tradition continues, on Arbor Day and every day.
